ABOUT ME

Hey there, I'm Subhan Shahid, a multimedia artist fueled by a passion for creativity and innovation. With expertise in 3D modeling, video editing, VFX, CGI, and more, I'm dedicated to pushing the boundaries of digital artistry. From crafting immersive environments to telling captivating stories through video, I'm here to bring your ideas to life with precision and flair. Let's collaborate and create something extraordinary together!

WORK EXPERIENCE

ACHIEVEMENTS

Gemthree/ Rawalpindi
2020 - 2021

GRAPHIC DESIGN TEACHER & SOCIAL MEDIA HEAD

As a graphic design teacher and Head of the Social Media Department at Rubrics, Rawalpindi's largest institute, I developed engaging lessons and taught cutting-edge design skills. I managed the institute's social media, increasing engagement and visibility through effective campaigns and content creation. My work combined educational excellence with strategic marketing.

Rubrics / Bahria Town ph 7
2021 - 2022

UI DEPARTMENT HEAD

Led UI design initiatives at GemThree, enhancing user experience across gaming platforms. Mentored team members and collaborated cross-functionally to integrate UI seamlessly with game mechanics, driving project success and player engagement.

Techno World / Rawalpindi
2015 - Present

OWNER AND OPERATIONS MANAGER

Since taking over in 2015, I have overseen all operations at Techno World, a multimedia services business established for 25 years. With a team of 9 skilled professionals, we specialize in movie printing, form fillings, video editing, photo editing, and a range of multimedia services. I ensure seamless workflow and client satisfaction while maintaining high standards of service delivery and innovation in multimedia solutions.

FILM AND INDEPENDENT PROJECT CONTRIBUTIONS 2023

Contributed to national films like the Fatima Jinnah biopic and completed independent multimedia projects, showcasing creativity and technical skills.

RENOVATION AND 3D MODELING 2023 - 2024

Led the renovation project of the Pak-China Friendship Center, creating the entire 3D model for the renovation.
